Hello Khahilia,

I conducted the search by email and in our 2016 Election records. I did not come across any of the names or information you provided.

Thank You,

Michelle Bonilla

Hi Michelle:

Thank you for your reply. Could you please describe how you conducted a search to determine that no responsive records exist? For example, if it was an electronic search, whose files were searched and what terms were used? If it was not an electronic search, please describe what method you used.
